

**It's finished!** "Memorial to Human Negligence" located on Iriški venac, Fruška gora.

On Saturday, April the 24th 2010. there was held an event that was organized for ecologists, representatives of institutions and journalists apropos the opening of a monument : „Memorial to Human Negligence“ on Iriški venac. The Monument was built by Vojvođanska zelena inicijativa (Vojvodina Green Initiative), and Student Association of Faculty of Tehnical Sciences with the support of volunteers from Zelena patrola (The Green Patrol), Zeleni skok (The Green Jump) and Ecological Youth Club.

Aim of constructing "The Memorial to Human Negligence" is to indicate the responsibility of everyone who is contaminating our environment, and also to invite citizens and institutions to behave properly according to the laws of nature.

The project of The Memorial to Human Negligence is carried out by the experts of JP „Gradsko Zelenilo“ (Public Service „City Greens“) for the chosen concept by Siniša Štetin, the graphic designer.

**The Memorial to Human Negligence** is constructed thanks to unselfish efforts and logistic support of Lafarge BFC and the support of: Ministry of Environment and Spatial Planning of the Republic of Serbia, Provincial Secretariat for Sports and Youth, Public Service "National Park Fruška gora", Public Service "The Railways of Serbia", Provincial Institute for Nature Protection during this technically requiring project.

Dear friends, we would like to **thank you** for your support during the realization of this project. Ruža Helać, the president of "Vojvodina Green Initiative" (Vojvođanska zelena inicijativa)

and

Andor Luhović, coordinator of the project "Memorial to Human Negligence"

The best idea for the design of this monument belongs to Siniša Štetin, although the competition was tough, since these young people possess a lot of creativity.

Winter 2009. - the construction of "The Memorial to Human Negligence" took place on Iriški venac, Fruška gora, with help from the experts of JP „Gradsko Zelenilo“ (Public Service „City Greens“).

April 2010. - volunteers from The Green Patrol (Zelena patrola), Ecological Youth Club (Omladinski ekološki klub) and The Green Jump (Zeleni skok) put their efforts together to paint The Memorial to Human Negligence.
